9. Non Glue EMMC Removing, cleaning, reballing And Installation Using Universal Stencil
10. Glue EMMC Removing, cleaning, reballing ,And Installation Using Universal Stencil

11. Non Glue Cpu Removing, cleaning, Reballing And Installation Universal Stencil Maching Cpu /proper Stencil
12. Glue Cpu Removing, cleaning, reballing And Installation Using Universal Stencil Maching Cpu I proper Stencil
13. Double Decker Cpu Removing, Cleaning, Reballing And Installation
14. Charging Connector Replacing Old And New In Safe Temperature.

Theory

1. How To Use Multimeter
2. Types Of Multimeter Modes
3. Identifying Ic's Pmic, Cpu, Emmc/emcp/ufs.
4. Ic Functions
5. Protocols I2c, I2s, Mipi, Spi, Mosi, Miso, Mclk, Cs, Ss Etc...
6. Schematics Cpu, Emmc, Emcp, Ufs, Audio
Section, Camera Section, Wifi Section, Sim Section,
Network (pa,pfo, If(intermediate...
Frequency, Prx, Drx, Quadband Multiband, tranciver) Etc....
7. Power Lines
8. Input And Output Voltages
9. Block Diagrams
10. Power On Sequence
11. Primary Voltages
12. Secondary Voltages
13. Cpu Signals
14. Reset Lines
15. I2c Line Testing In Oscilloscope

Trouble Shooting

1. Tracing
2. Cool Testing
3. Hot Testing
4. Short Checking
5. Primary Line Short Shecking
6. Secondary Line Short Checking
7. Voltage Injection Method
8. Dead Phone Checking
9. Hardware Dead Checking
10. Software Dead Checking
11. Backlight Section
12. Graphic Section
13. Audio Section
14. Camera Section
15. Wifi Section
16. Sim Section
17. Network (pa, pfo, if(intermediate Frequency, Prx, Drx, Quadband Multiband, tranciver) Etc....
18. Easy Method Of Dead Phone Checking.
19. reparing Based On Dcps Readings

SOFTWARE (BASIC)

1. Installation Of Softwares
2. Basic Concepts Of Sofvare
3. How To Use Umt In Advance Level
4. How To Use Mrt In Advance Level

SOFTWARE (BASIC)

5. How To Use Eft In Advance Level
6. How To Use Miracle In Advance Level
7. How To Use Hydra In Advance Level
8. How To Use Ae-tool In Advance Level
9. How To Use Oppo Magic Tool In Advance Level
10. Country Unlocking Legal Way
11. Editing Flash Files In Professionel Way
12. How To Reset Pin, Pattern, Password Without Data Loss
13. How To Reset Frp In All Latest Phones
14. How To Reset Mi Account In All Latest Mobile Phones
15. How To Fix Antirelock Issue
16. How To Edit Qcn File
17. How To Fix Network Issue By Software (security And Baseband)
18. How To Get Information About Cert File
19. What Is Kernel
20. What Is Encryption In Android
21. How To Fix Baseband Issues
22. How To Download Official Firmware

SOFTWARE (ADVANCED)

1. What Is Dump File And How It Works
2. What Is Isp
3. Information About Efs File System
4. Information About Srf File
5. How To Program Samsung Emmc/emcp

SOFTWARE (ADVANCED)

1. How To Clean Rpm (replay Protected Memory Block)
2. Dead Boot Repair Fix
3. How To Repair Dead Mobiles Without Dumpfiles
4. What Is Gp Partitions
5. How To Fix Unallocated Space In Emmc/emcp
6. What Is Boot Partitions And Its Importance
7. What Is Lower Partition
8. How To Check Health
9. How To Repair Health
10. How To Fix Emmc/emcp Errors
11. What Is Cid And How To Change
12. When To Change Cid
13. What Is Csd
14. How To Check Compatible Emmc/emcp Professional Way
15. How To Change Emmc/emcp
16. How To Upgrade Emmc/emcp
17. How To Find Dumpfiles
18. How To Reset Pin, Pattern, Password
19. What Is Difference Between Ufs/emmc/emcp
20. What Is Lun File
21. How To Backup Ufs Dump
22. How To Backup Only Efs File
23. How To Backup Data
24. How To Reset Pin, Pattern, Password In Ufs
25. How To Program.
26. How To Flash Ufs Using Medusa, Easyjtag.

BECOME A MOBILE REPAIRING SPECIALIST

WHY FABTECH?

- # World-class Training with High Equipped Lab and Infrastructure.
- # Well experienced Faculty.
- # Live Phone repairing Training.
- # Real-Time Experience.
- # Mobile Chip Level Training.
- #1 Phone Advanced Chip Level Repair Training.
- # Job Assistance with Internship.
- # Job provided for the Toppers with a fee refund after 1 year.
- # Business opportunity in Mobile Refurbished Phones.
- # Certification Guarantee

OUR FACULTY

Mohammed Irfan Ali

- * 8 years of Experience in Repairing Macbook,
- * 6 years of Experience in Teaching Macbook, Android and iPhone.
- * One of the best Faculty in India
- * Trained more than 5000 students in the past 6 Years
- * Real-Time high skilled Faculty

Mohammed Abdul Aqeel

- * 11 years of Repairing experience in the Mobile industry.
- * 4 years of Live Experience in Teaching Android and Iphone
- “ Trained more than 200 students in the past 2 Years
- * Real-Time high skilled Faculty
